

Love and Other Two-Player Games

BOOK CLUB GUIDE

Dear Book Club Coordinator,

Thank you for choosing *Love And Other Two-Player Games* for your book club! I'm so excited for you to meet Nathaniel and Victoria and enter their world of game development at the Agency in San Francisco, California. Get ready to root for love in this high-stakes, bittersweet, rollercoaster of a romance.

Included in this kit are a few questions to spark discussion, a tropes tournament, and a book review sheet on which to take notes—it's a template so it can be used for future book reviews as well!

If you want to spend even more time together and require a few extras, simply pop on to the contact page on my website and say, "Send me the LOVE kit."

When you meet up to discuss *Love And Other Two-Player Games*, please feel free to tag me in your book club photos [@RoxanneLoMarcWrites](#). I'm so looking forward to seeing them, and don't forget to hashtag the book using [#LoveAndOtherTwoPlayerGames](#).

Please also note that I may be available to join your event! Though schedule and time zone conflicts may impact my availability, I adore seeing LOVE's readers, answering any questions you may have, or simply saying "Hi." Feel free to have me on at the start of your meeting for a welcome message, or at the end for questions. Please make your specific request or invitation via the "Meet the Author" form on the [Open Book website](#). The earlier the request is made, the better the chance of us making it happen. Either way, I loved writing this book, and I hope you love reading and discussing it.

Thanks again, and have a great book club meeting!

Ciao for now,

Roxanne LoMarc

Discussion Questions

1. Near the beginning of the novel, Victoria offers suggestions on how to help a video game heroine defeat a final boss. What, if any, special “healing potion, reinforced armor, and enhanced weaponry” did Victoria have in her own battles?
2. What did you think of Victoria and Nathaniel’s first kiss?
3. Victoria claims only feelings of friendship for Quinlan, calling it “the purest love she’d ever known,” while Nathaniel felt she was in denial, and that a romantic relationship between her and Quinlan had been “inevitable.” In your opinion, did Victoria have deeper, unexplored feelings for Quinlan? Would they have ended up together?
4. Dreamscape pushed Victoria and Nathaniel to “surrender,” to concede defeat in the face of their deepest fears or most difficult realities. What conclusions did Victoria draw about what it means to “not go gently into that good night” and “to rage against the dying of the light” as she surrendered to the reality of Quinlan’s death?
5. The opening line of the novel was “Little by little, Victoria Preston was learning how to lose.” Did she learn how to gracefully accept things outside her control? How do you know?
